TV Manager

Flyer TV, University of Dayton | Spring 2023 – Present

As a TV manager, I help produce a television show called *Flyer Sports*. I assist in filming, writing, editing and I work as talent for weekly episodes. Our team also does live broadcasts on ESPN+ for soccer, volleyball, softball and baseball. I do both play-by-play and color commentary.

Creative Video Intern

I am a member of the videography team in the University of Dayton Athletics Department. I create recaps, mixtapes and highlights for all of the sports social media accounts. Working with my Sony A7IV, I create content through Adobe Premiere and After Affects.

Radio Manager

Flyer Radio, University of Dayton | Fall 2022 – Present

As a manager of WUDR Dayton, a student run radio station, my responsibilities include scheduling air shifts, reviewing music, recruiting talent and hosting my own weekly shows.

Sports Media Manager

Viking Television, Homewood-Flossmoor High School | Fall 2021 – Summer 2022

In this position, I was in charge of filming and editing weekly segments for our daily television show. I led my team in developing content and planning our multiple live sports broadcasts. In addition, I announced play by play games and was a behind-the-scenes organizer and camera man.

Photo Journalist and News Editor

The Voyager, Homewood-Flossmoor High School | Fall 2018 – Spring 2021

I served as the lead photographer for Homewood-Flossmoor High School's school newspaper, *The Voyager*. This entailed capturing current event stories as well as seasonal athletic sports coverage.
